

# REWARDS PROGRAM

RAVN ALASKA BRAND

## REWARDS PROGRAM

### Ravn Alaska's FlyAway Rewards Program

Ravn Alaska's mileage program, FlyAway Rewards, boasts a system that's simple and to the point. Ravn Alaska also participates in the Alaska Airlines Mileage Plan. Alaska Airline miles are credited on select routes only.

- 10 FlyAway Rewards points for every Ravn Alaska flight segment flown.
- A free one-way trip for as few as 50 points.
- Passengers can get an additional 2-point bonus per segment on top of the standard 10 points by simply booking a reservation online at [www.flyravn.com](http://www.flyravn.com).
- Passengers need to present a FlyAway Rewards or Alaska Airlines mileage number each time they fly for their account to be credited the appropriate points or mileage.

### Award Levels - Travel Round-Trip or One-Way

- **Basic** Round-Trip Travel = 100 reward points. These seats are available on many flights in all of the markets served, are based on availability and space is limited.
- **Basic** One-Way Travel = 50 points. These seats are available on many flights in all of the markets served, are based on availability and space is limited.
- **Anytime** Round-Trip Travel = 200 points. These seats are available on any flight, any time, as long as a seat is available. There are no other restrictions.
- **Anytime** One-Way Travel = 100 points. These seats are available on any flight, any time, as long as a seat is available. There are no other restrictions.
