

Vacancy Announcement

DATE: October 19, 2018
TO: All Qualified Applicants
FROM: Human Resources
RE: Flight Inspector
LOCATION: Anchorage, Alaska
CLOSING DATE: Open Until Filled

This announcement is for a Flight Inspector for Ravn Air Group. This position reports to the Director of Flight Standards for Ravn Connect and is responsible for assisting in the development and checking of flight standards for the entire Ravn Connect fleet. The successful candidate will have a valid FAA ATP license, piloting experience in Company aircraft type (or similar aircraft), and previous Part 135, Part 121, or military flight training and checking experience.

This is a non-exempt, full time, benefits-eligible position. Position typically works Monday through Friday in Anchorage, however overtime and travel may be required as dictated by business needs and with management approval.

Minimum Qualifications

- High School Diploma/GED required; some college preferred;
- Requires FAA ATP license; FAA Flight Instructor license preferred;
- Must have pilot experience in Cessna C207 and C208, Piper PA31, and Beechcraft 1900 or similar aircraft;
- Previous Part 135, Part 121, or military flight training and checking experience is required;
- Excellent written and oral communication skills;
- Must be detail-oriented, and have a high attention to accuracy;
- Capable of working independently or as a team member;
- Strong prioritization and time management skills;
- Must have a working knowledge of Word, Excel, and PowerPoint;
- Able to pass a comprehensive background check;
- Willing to travel to company bases as needed;
- Requires a strong safety awareness and the ability to adhere to Safety Management Systems (SMS);
- Able to pass a comprehensive background check;
- Comfortable working in an airport environment around odors and sounds typically associated with operating aircraft.

Duties & Responsibilities

- Responsible for supporting and assisting the Director of Flight Standards for Ravn Connect in the development and checking of flight standards for the entire Ravn Connect fleet, verifying compliance with regulatory requirements and Company policy and procedures, and assisting the flight ops department as needed;
- Coordinate with the Director of Flight Standards for Ravn Connect to ensure standardization of Company operating policies and procedures across the fleet;
- Support and assist the Director of Flight Standards for Ravn Connect in the continued development and maintenance of the Flight Standards Manuals;
- Coordinate with the Safety department to analyze FOQA data for use to further improve training and flight operating policies and procedures;
- Conduct regular non-regulatory flight checks to ensure standardization with company policies and procedures;
- Promote the Company safety culture;
- Other duties as assigned and within the scope of this position.
