

Vacancy Announcement

DATE: November 1, 2018
TO: All Qualified Applicants
FROM: Human Resources
RE: Ground Service Equipment (GSE) Mechanic
LOCATION: Anchorage, Alaska
CLOSING DATE: Open Until Filled

This announcement is for a **Ground Service Equipment (GSE) Mechanic** for Ravn Air Group. This position reports to the **GSE Supervisor and GSE Manager** and is responsible for the maintenance and repairs of all Ravn Alaska and Ravn Connect Ground Support Equipment and vehicles. This position will be required to work with a high level of accuracy and efficiency; intermediate to advanced mechanical skills are required to perform this job at an acceptable standard. The successful candidate must be willing to travel to remote locations on a regular basis and ideally comes from a background in aviation.

This is a non-exempt, full time, benefits-eligible position. Position works an irregular schedule and, while based in Anchorage, will be required to travel to perform work in other locations.

Minimum Qualifications

- High School Diploma/GED required;
- Continuing certification classes with emphasis in equipment repair/mechanics strongly preferred;
- An ASE Certification is desirable;
- Minimum 3+ years in equipment repair or a previous GSE Mechanic position;
- Must have strong mechanical skills and troubleshooting ability;
- Valid Alaska Driver's License with a good driving record is required;
- Detail-oriented with the ability to prioritize multiple tasks;
- Basic computer skills are required, with computerized maintenance management system (CMMS) experience highly preferred;
- Must be able to safely lift 50 pounds on a consistent basis;
- Must be able to travel extensively without restriction throughout Alaska, working in variant climates and environments;

- Requires a strong safety awareness and the ability to adhere to Safety Management Systems (SMS);
- Able to pass a comprehensive background check;
- Comfortable working in an airport environment around odors and sounds typically associated with operating aircraft.

Duties & Responsibilities

- Inspect, troubleshoot, repair and maintain all Ravn Alaska and Ravn Connect GSE and vehicles to include tugs, belt loaders, generators, heaters, deicers, cars, trucks, vans, forklifts and various types of heavy equipment;
- Assist with general shop duties as assigned and qualified to perform;
- Comply with applicable safety and environmental standards;
- Document all labor time/expenses;
- Travel to other airports on a regular basis for field repairs and maintenance;
- Maintain communication with GSE Manager and GSE Supervisor regarding progress and/or problems related to work associated tasks;
- Pursue training when possible in order to continuously improve job knowledge;
- Seek out opportunities for further certifications (i.e. ASE Technician);
- Assist with parts research, price comparisons, timely procurement and inventory levels;
- Promote the Company safety culture;
- Other duties as assigned and within the scope of this position.
